BIOB 101	x	x	x	x		x		
BIOH 104	x	x	x	x		x		
BIOH 108	x	x	x	x		x		

BIOH 104 Are required for EMT/Paramedic and LPN programs.

Courses that support multiple programs and do not align to program outcomes

Courses	
BIOH 112	This course is part of the Biology Dept Course offerings but is not aligned with any specific Biology programs. BIOH 112 and 113 are BOTH required for HIC and HIT programs. Many student take these courses through dual enrollment.
BIOH 113	This course is part of the Biology Dept Course offerings but is not aligned with any specific Biology programs. BIOH 112 and 113 are BOTH required for HIC and HIT programs.
BIOH 201	This course is part of the Biology Dept Course offerings but is not aligned with any specific Biology programs. It is a perquisite for RN Nursing, Surgical Technology, Dental Hygiene, and Respiratory Care (and is accepted for EMT/Paramedic if taking BOTH BIOH 201 and 211).
BIOH 211	This course is part of the Biology Dept Course offerings but is not aligned with any specific Biology programs. It is a perquisite for RN Nursing, Surgical Technology, Dental Hygiene and Respiratory Care (and is accepted for EMT/Paramedic if taking BIOH 201 and BIOH 211).

BIOM 250	This course is part of the Biology Dept Course offerings but is not aligned with any specific Biology programs. It is a perquisite for RN Nursing, Surgical Technology, Dental Hygiene and strongly recommended for Respiratory Care.

CLO alignment

Course	**CLOs**		
	Critical Thinking	**Comm.**	**Prof.**
BIOB 101*	x	x	
BIOH 104	x	x	
BIOH 108	x	x	
BIOH 112*	x	x	
BIOH 113*	x	x	
BIOH 201	x	x	
BIOH 211	x	x	
BIOM 250	x	x	

CLOs: Critical Thinking Communication Professionalism
