MAJOR:

I. ADVISING DEFINITION:
Advising is a comprehensive educational process whereby students, faculty and advisors are partners in:
- Providing encouragement and support;
- Ensuring student academic success;
- Identifying resources to help students achieve their personal, academic, and career goals;
- Meeting essential learning outcomes; and
- Engaging students throughout their entire experience at the College.

II. ADVISING MISSION:
Advising is a teaching and learning process dedicated to student success. The Advising & Career Center will work collaboratively with the campus community to assist students in developing and implementing individual plans in order to live, work, and learn as active members of a global society.

III. ADVISING MATERIALS:
- Online Catalog
- Student Planner
- Academic Calendar (http://www.gfcmsu.edu/academics/AcademicCalendar.html)
- Banner Web
- Placement Scores (COMPASS, ACT, SAT)
- Unofficial Transcripts
- Student Policy Manual

IV. ADVISING OBJECTIVES:
- Students will develop a comprehensive, individual academic plan
- Students will identify Great Falls College MSU’s primary academic resources, tools, policies and procedures

V. ADVISING RESPONSIBILITIES:
Advisors will:
- Encourage and guide students to define and develop realistic educational goals
- Communicate the College’s degree requirements, policies, and procedures
- Listen carefully to questions, concerns, and confusions
- Monitor students’ progress
- Match students’ needs with available resources and make referrals
- Discuss student’s academic performances and its impact on their future goals
- Listen and respect students as individuals with unique needs, abilities, and interests
- Provide students with accurate information and follow-up if any questions are left unanswered
- Discuss the relationship between academic preparation and the work world

Students will:
• Clarify personal values and goals
• Become knowledgeable about college programs, policies and procedures
• Keep lines of communication open
• Keep a personal record of academic progress
• Follow through on suggested actions, resources, or referrals
• Accept responsibility for your academic decisions, performance and accept the challenge that college coursework provides
• Listen to and respect the advisor as a professional who has your best interest in mind
• Come prepared to meetings with questions and some initial research done about your areas of inquiry

VIII. PREPARING FOR YOUR ADVISING APPOINTMENT
• Be prepared to discuss course options, address academic problems or concerns, make decisions about the upcoming semester, and explore major/minor options
• Bring a list of questions you would like to discuss with your advisor
• Discuss current semester progress in your courses
• Research degree requirements including pre and co-requisites
• Make a list of potential courses for the next semester you are interested in taking
