Assess Course Objectives

Learning Outcomes Assessment Form- For Faculty Use Only

Instructor Name:			Course:		Term:	
At the completion of the course it is important that instructors reflect on the projected course objectives to determine if they were met by the najority of the students, aligned with the program/degree/division outcome and aligned with the type of learning hoped for. Did the developed assessments tools provide verification that the course objective was met? Was there anticipated change in the student due to the accomplishment of meeting the set course objectives?
