REVISED: May 2020

REVIEWED:

Introduction and Purpose

Unless students have prior prerequisite college coursework or have taken a placement exam prior to entering Great Falls College MSU, students must take the Mathematics, Writing and Reading Placement exam in order to be correctly placed into GFC MSU courses requiring a placement score, thereby maximizing the likelihood of their success in those courses.

Policy

Retaking the Mathematics, Writing and Reading Placement Exam

Following a student's first attempt taking the Mathematics, Writing and Reading Placement Exam, the student can retake the test once after five (5) business days have passed. For any subsequent retakes, the student must wait 45 calendar days. Each attempt is subject to the exam fees established by the Testing Center. Scores that don't follow these timelines are invalid.
