Interested in joining?

The Montana American Indian Scholars program is designed to create American Indian student mentors to provide support for fellow American Indian students as they reach their goals of graduating from college.

Earn a $100 stipend for the Fall semester and a $150 stipend for the Spring Semester!

Initial Qualifications:
2.0 Cumulative GPA
Completed at least one semester and six credits

To earn the stipend for each semester students must maintain a 2.0 GPA by the end of each semester, attend 5 NAEC workshop sessions, and participate in 1 service learning project.
