Dear Prospective Physical Therapist Assistant Student,

I am thrilled that you are interested in the Great Falls College Montana State University's (GFC MSU) Physical Therapist Assistant Program. Physical therapy is a wonderful profession. As a physical therapist for over ten years, I have found it to be a very challenging and rewarding career.

Physical Therapist Assistants (PTAs) work closely with the physical therapist (PT) and with many other healthcare providers. PT and PTAs are dedicated to using their knowledge, expertise, and compassion in the treatment and prevention of disease processes affecting an individual's function. Observing either a PT or PTA is a necessary and essential part of learning about the physical therapy profession. The experience will give you a better understanding of the commitment needed to be successful during your education in the physical therapist assistant program and ultimately in the profession.

Great Falls College MSU's Physical Therapist Assistant Program has a limited enrollment capacity. **Twenty new students are enrolled in the fall of each year.** The small size is advantageous to our students, allowing more individualized attention and a greater amount of hands-on experience. Of course, with all advantages there are disadvantages. Limited enrollment lends itself to a competitive student selection process. It is important to review and understand our selection process when exploring this area of study.

Information about the profession, the program itself, and application materials for **fall 2022** entry are enclosed. **Please read these materials carefully.** For additional information, answers to specific questions, a campus tour, or to set up an appointment, please contact Student Services at (406) 771-4414 or Brad Bechard PT, DPT, Physical Therapist Assistant Program Director at (406) 771-5134. Information can also be found at www.gfcmsu.edu.

With increasing life expectancy and improved medical technology, access to physical therapy services is more important than ever. Making a commitment to becoming a physical therapy professional will not prove to be just a job, but a lifelong fulfilling career. I want to thank you for your interest in the Physical Therapist Assistant Program; hopefully the following information will enlighten you about our program and the profession.

Sincerely,

Brad Bechard, PT, DPT

Director, Physical Therapist Assistant Program

What is Physical Therapy?

Physical Therapy is the care and services provided by or under the direction and supervision of a physical therapist. More than 750,000 individuals are treated every day in the United States. The practice of physical therapy consists of diagnosing and managing movement dysfunction by enhancing physical and functional abilities. It consists of clinical applications that help to alleviate pain, prevent the onset or progression of limitations or disability, and prevent changes in health status that occur as a result of disease, disorders, conditions and injuries. Physical therapy interventions can also restore health, maintain overall wellness, improve fitness, and provide quality of life as it relates to movement and health.

7 Core Values of Professional Conduct in Physical Therapy:

- Accountability
- Altruism
- Compassion/Caring
- Excellence
- Integrity
- Professional Duty
- Social Responsibility

Who is the Physical Therapist Assistant?

Physical therapist assistants (PTAs) provide physical therapy services under the direction and supervision of a physical therapist. PTAs help people of all ages who have medical problems, or other health-related conditions that limit their ability to move and perform functional activities in their daily lives. PTAs work in a variety of settings including hospitals, private practices, outpatient clinics, home health, nursing homes, schools, sports facilities, and more. PTAs must complete a 2-year associate of applied science degree and are licensed, certified, or registered in most states. Care provided by a PTA may include teaching patients/clients exercise for mobility, strength and coordination, training for activities such as walking with crutches, canes, or walkers, massage, and the use of physical agents and electrotherapy such as ultrasound and electrical stimulation.

The PTA contributes to society and the PT profession through the provision of physical therapy services, teaching, and administration.

Physical Therapist Assistant Program Goals:

Student Goals:

1. The student will develop an entry-level skill set who are prepared both didactically and clinically for passing licensure while demonstrating quality provision of services under the direction and supervision of a licensed physical therapist.
2. The student will identify evidence-based practice to relate to their clinical decision making.
3. The student will demonstrate commitment to the profession by serving the needs of the community through ethical practice and participation in service related

Faculty Goals:

4. Program faculty will demonstrate life-long learning through the pursuit of continuing education related to the profession of physical therapy and area of teaching responsibility.
5. Program faculty will continually develop updated course materials to provide students a contemporary education via evidenced based practice.
6. The program faculty will demonstrate commitment to the profession through service learning activities within the community.

PTA Program Goals:

7. The program will contribute to the needs of the community through the student association and its pursuit of volunteering and fundraising.
8. The program will promote life-long learning to reflect contemporary practice and advocate physical therapy via the APTA to best meet the needs of the profession and society.

Mission and Philosophy of the Physical Therapist Assistant Program:

Mission

The Great Falls College MSU PTA Program: Developing Quality Skills with Unwavering Ethics

Philosophy

All students, regardless of race, creed, color, age, or gender, have a right to an education that stimulates their curiosity and challenges their intellect. The faculty of the PTA program is committed to student success, and pursuit of excellence within the educational environment. Students will be encouraged to embrace the concept that learning is a lifetime experience, as well as a critical component of their continued professional development in the field of health care delivery.

History of PTA Program at Great Falls College MSU:

From 1996 - 2003, Great Falls College MSU offered the only physical therapist assistant postsecondary education program in Montana graduating six classes. From 2003 to 2007, the PTA program was in a state of moratorium. Due to high demand in Montana for the physical therapist assistant in the workforce, the program was reactivated.

Following an on-site visit in October of 2018, the Physical Therapist Assistant (PTA) Program at Great Falls College MSU has earned accreditation from the Commission on Accreditation in Physical Therapy Education (CAPTE) of the American Physical Therapy Association (APTA) from April 30th 2019 through June 30th 2029.

Accreditation Status:

The Physical Therapist Assistant program at Great Falls College Montana State University is accredited by:

The Commission on Accreditation in Physical Therapy Education (CAPTE)

1111 North Fairfax Street

Alexandria, Virginia 22314

703-706-3245

accreditation@apta.org

www.capteonline.org

The next onsite visit will occur in Fall of 2028.

Program Cost:

Costs are subject to change. The below information is based on the 2021-2022 academic year. Costs are estimates only. Costs include listed specific pre-requisite courses and requirements after formal acceptance into the PTA Program. It DOES NOT include costs associated with any repetition of courses, or any courses needed to build-up skills in Math and English so the student can take the required courses in these two subjects. Appropriate attire, transportation costs, room and board, relocation costs to Great Falls for class work and other locations for clinical experiences including room and board, immunizations, and costs associated with the national board exam are not included in the below costs. There may be other costs not included in this list.

Tuition (in-state) and Fees	\$8625.00
Application Fee	30.00
Course/Program Fees	1184.00
Book / Supplies	2653.00
TOTAL	<u>\$12,491.00</u>

Information on student scholarships and financial aid is provided by the Office of Financial Aid: (406) 406-771-4334 or <http://finaid.gfcmsu.edu>

Please refer to the College catalog for complete information available online at <http://catalog.gfcmsu.edu/academic-programs/physical-therapist-assistant/>

PTA Program Requirements Prior to Admission:

Prior to being considered for admissions into the program the applicants must:

- Be admitted to GFC MSU and in good academic standing. Application information may be acquired at the office, or by calling Admissions at (406) 268-3700 or online at <https://admissions.gfcmsu.edu/applynow.html>
- Complete 40 hours or more of observation with a licensed physical therapist or physical therapist assistant. Please note that higher point values for admission to the PTA Program are awarded at 10 hour intervals. Refer to section “Observation Hours” in this packet.
- **Earn a grade of “C” (not a “C-”) or higher in all pre-requisite courses.**
- **Computer literacy and keyboarding are assumed.**

Additional Steps for PTA Program Application:

- A representative from the Registrar’s Office will be involved in verifying grades, transcripts, and compiling the scoring process of this program.
- Submit official high school transcript or HiSET (GED), and college transcripts, to the Registrar **(Please ensure all transcripts which are required to prove completion of prerequisite courses have been submitted to the Registrar’s Office)**. If completing spring or summer courses, final transcripts will need to be sent. You are NOT required to send transcripts from GFC MSU.
- Send official transcripts to:
 - Office of the Registrar
 - Great Falls College MSU
 - 2100 16th Avenue South
 - Great Falls, MT 59405
- Only students in Good Academic Standing will be eligible for program acceptance.
- Course work will be evaluated as follows: **Anatomy/physiology courses need to have a lab component and to be taken within 5 years of application to the program and all other**

courses need to be taken within 15 years of application to the program. Program directors at their discretion may accept courses that are older than the 5 years for Anatomy/physiology courses and/or the 15 years for pre-requisite courses. Students may be asked to take a placement test to determine if their Math and English skills are at the appropriate level for the program.

- For applicants, who have taken courses multiple times, the highest verifiable grade will be used for scoring /GPA calculations.
- For students who have taken a higher level course than the pre-requisite course requirement, he/she may utilize the grade for that course for admissions purposes if the grade is higher than that of the required course.
- Points and GPAs will be calculated by the Registrar's Office and grade points will be calculated using the current catalog criteria which includes +/- weighing. **See page 12 for grade breakdown.**
- For students, who have been awarded credit for successful performance in subject examinations of the CLEP or DSST programs, the credits will be accepted by GFC MSU, however there is no grade for calculation for scoring or GPA. In this situation, the total points will convert to percentages for ranking. *(The program may accept Pass/Fail classes upon the program director's approval.)*
- For students, who have been awarded credit for successful performance in subject examinations of the AP program, the credits will be accepted by GFC MSU for scores of 3, 4 or 5, however there is no grade for calculation for scoring or GPA. In this situation, the total points will convert to percentages for ranking. *(The program may accept Pass/Fail classes upon the program director's approval.)*
- For students, who have been awarded credit for Prior Learning Assessment, the credits will be accepted by GFC MSU for Passing (P) grades, however there is no grade for calculation for scoring or GPA. In this situation, the total points will convert to percentages for ranking. *(The program may accept Pass/Fail classes upon the program director's approval.)*
- For students, who have additional educational attainment, the Registrar's Office will verify degrees awarded from official transcripts.
- Admission will constitute the top 20 completed applicants with the highest percentage of total points earned.
- In case of a tie, this is the tie breaking criteria
 1. Highest subtotal GPA within Anatomy and Physiology classes
 2. Highest prerequisite GPA
 3. Highest total observation hours recorded

Equal Opportunity Policy:

Great Falls College MSU is committed to the provision of equal opportunity for education, employment, and participation in all College programs and activities without regard to race, color, religion, national origin, creed, service in the uniformed services (as defined in state and federal law), veteran status, gender, age, political ideas, marital or family status, physical or mental disability, genetic information, gender identity, gender expression, or sexual orientation.

The College's Equal Opportunity Officer is the Chief Student Affairs & Human Resources Officer, 2100 16th Avenue South, Great Falls, MT 59405. Telephone: 406-771-4300.

Physical Therapist Assistant Program Curriculum:
Prerequisite Courses

All prerequisite courses must be completed with a C (not C-) or higher.

Course No.	Course Title	Credit
PHSX 105	Fundamentals of Physical Sci w/Lab OR Both a college level Physics and Chemistry course with program director approval	4
BIOH 201**	Human Anatomy & Phys I Lecture/Lab	4
BIOH 211*	Human Anatomy & Phys II Lecture/Lab	4
COMX 115 OR COMX 111	Intro to Interpersonal Comm OR Intro to Public Speaking	3
WRIT 101**	College Writing I	3
M 140**	College Math for Healthcare OR Any math course in the MUS Core	3-4
PSYX 100	Introduction to Psychology	3
	Any course in the Social Sciences	3
AHPT 105	Intro to Physical Therapy (online) (Prerequisite or corequisite with consent of program director)	3

Subtotal: 30

Fall Courses

Course No.	Course Title	Credits
AHPT 101*	Physical Therapist Assisting I/Lab	5
AHPT 205*	Anatomy and Kinesiology /Lab	6
AHPT 206*	Pathophysiology for the PTA	3
AHPT 218*	Therapeutic Exercise for the PTA	2
AHPT 210*	Clinical Experience I (4-week)	3

Subtotal: 19

Spring Courses

Course No.	Course Title	Credits
AHPT 201*	Physical Therapist Assisting II Lab	5
AHPT 213*	Neurorehabilitation for the PTA Lab	6
AHPT 215*	Introduction to Orthopedics/Lab	4
AHPT 220*	Clinical Experience II (4-week)	3

Subtotal: 18

Summer Courses

Course No.	Course Title	Credits
AHPT 225*	Seminar & Project in PTA (online)	1
AHPT 230*	Clinical Experience III (8-week)	7

Subtotal: 8

TOTAL PROGRAM CREDITS – 75 ~

* Indicates prerequisites needed

** Indicates placement in course(s) is determined by placement test ~Many students need preliminary math, English and biology courses before enrolling in the program requirements.

Observation Hours:

Students are required to complete a minimum of 40 observation hours. Observation must occur with a licensed physical therapist or physical therapist assistant. This observation should be completed **in at least two or more different practice settings. At least 10 hours need to be in an acute, rehab, or sub-acute environment.** Please contact the program director if you have questions. Suggestions to help you to meet this requirement:

- Request a list of clinical sites from the PTA Program Director if needed. Most facilities are willing to allow prospective physical therapist assistant students to observe their physical therapy practice. Any facilities can be contacted and asked if they would be willing to allow you to observe.
- Select several sites and telephone them early in the day- between 8:00 and 8:30 am. This is usually the best time to speak with them. Have your calendar available with possible dates and times that will work for your schedule. Please remember, you will need to be flexible and accommodate their schedules. **DO NOT** automatically expect to observe the day you contact them.
- **When you visit the site, dress business casual (no jeans).** Wear comfortable shoes with no open toe, no or minimal fragrances, and minimal jewelry. Remember, you are in a professional environment!
- Provide your healthcare professional with the Observation Form (pg. 17) with the upper portion completed. When you have completed your hours at that site, the professional you're observing will need to fill-out a portion of this form and sign it. **It will then need to be signed by the healthcare professional on the form and over the seal of the envelope and submitted with your PTA Program Application.** The Observation Form may be copied if needed or additional copies can be obtained on the College website at www.gfcmsu.edu under the PTA Program section.
- Remember, as you are observing, they are also observing you!
- We suggest that during or shortly after you have completed each observation that you take the time to jot down your impressions of the experience. This may include your thoughts, diagnosis observed, what was good or bad, etc.
- **DO NOT WAIT** to obtain observation hours. Practicing Physical Therapists and Physical Therapist Assistants are busy people, so fit in the observation time when you can and early.
- Finally, you may want to send out a thank you note to the healthcare professional for taking time out of their schedule to assist with your educational experience.

Optional Experiences to Earn Additional Points:

- Additional points may be earned through employment within a healthcare field that involves direct patient contact or billing/coding services.
- Additional points may be earned through employment or volunteer in a fitness environment as a trainer working with clients on various exercise programs or instructor, including such experiences in coaching.
- The applicant must include a letter substantiating hours of employment as a healthcare worker or employment in a fitness environment within the community. **The letter must be from a direct supervisor in order to receive points in the application process. Hours worked, the description/nature of the work, and dates must be included. This letter must be signed by the supervisor across the back outside seal of the envelope and submitted with the applicant's application.**
- Contact the PTA Program Director for any questions regarding these experiences.

Enrollment in the Physical Therapist Assistant Program:

The formal portion of the Physical Therapist Assistant (PTA) program begins fall semester with a limited enrollment of 20 students. There are 30 credits of pre-requisite courses which may take one year or longer to complete. All pre-requisite coursework must be completed with a grade of "C" (not C-) or higher. The student must apply for acceptance into the formal portion of the PTA program and be accepted. The formal portion of the PTA program is challenging and consists of fall, spring, and summer semesters; taking one full year. This time includes built-in clinical experiences, which may or may NOT be in the Great Falls area. Upon completion of the PTA program, the graduate is prepared to take the national board examination for physical therapist assistants provided by the Federation of State Boards of Physical Therapy and must receive a passing score in order to become a licensed PTA. Licensure is required to practice as a physical therapist assistant in Montana and is overseen by the State of Montana Board of Physical Therapy Examiners.

- Physical Therapist Assistant Program Admission Application is included in this packet. It should include your name, address, telephone number, e-mail address, proof of requirements (see Application Packet Cover and Check-off Sheet below). This should be submitted to the Administrative Assistant of the Health Science Division by ***May 31st, 2022*** for prospective admission to the PTA program for fall 2022. **Application material submitted after that date will not be considered for the initial selection process, and would only be considered if the initial process does not yield a full class. It is the applicant's responsibility to ensure that all requirements are met by the established deadline and that all necessary materials have been submitted. All application items should be sent as a complete packet (as able) via certified mail or physically brought in to the Health Sciences Administrative Assistant. Items sent separately and at random are easily lost or misfiled. Great Falls College MSU is not responsible for any late, lost or misfiled information.**
- Successful applicants will be notified of their admission status by letter within **approximately 4 weeks following the deadline**. These individuals will need to notify the College **in writing** of their choice to **accept or decline** admission into the PTA Program. A form will be provided for the prospective student to fill-out and return.
- If a space becomes available for a PTA student, the next highest scoring applicant will be notified and offered admission to the PTA Program.

Note: Submission of false material in this Application Packet will be grounds for non-admission or, if discovered after admission, grounds for expulsion.

Helpful Phone Numbers:

- Student Central: (406) 268-3700
- Bookstore: (406) 771-4367
- Financial Aid: (406) 771-4334
- Physical Therapist Assistant Program Director – Brad Bechard, PT, DPT: (406) 771-5134
- Registrar - Dena Wagner -Fossen: (406) 771-4312

Transferability of Courses:

It is essential that you speak with the PTA Program Director if you have questions about transferability of courses from other institutions. The best way to assure that your courses transfer and that you have all the pre-requisites for the PTA program is to apply to the College (general admission process) and then to have your official transcripts evaluated by the Registrar's Office. Only the courses that apply toward the degree and have met the criteria will be accepted.

Coursework taken at other educational institutions may be designated as equivalent courses for Great Falls College MSU. https://prodmyinfo.montana.edu/pls/gfagent/hwzkxfer.p_selstate
Please review the information on transferring courses here: <http://catalog.gfcmsu.edu/student-services/admissions/transfer-from-other-institutions/>

If you have additional questions about transferability of courses, send a written request for evaluation of your prior transcripts to the Registrar at Great Falls College MSU. Please include appropriate course descriptions and official transcripts from former colleges with your request for evaluation.

Registrar's Office
Great Falls College MSU
2100 16th Ave S
Great Falls, MT 59405
406-771-5128

Requirements following acceptance to the PTA Program:

- Every student entering any Health Sciences program **MUST ATTEND** the Health Sciences Orientation. This mandatory session is held in August prior to classes starting. It includes information on Standard Precautions, Confidentiality, and Privacy in healthcare. Students are not allowed to attend any clinical affiliations in their program until they have completed this session. Students may call (406) 771-4350 for more information.
- All formal PTA students must attend the PTA Program Orientation. This mandatory orientation is held in August prior to classes starting. Information about the PTA program will be provided and reviewed at this time. If accepted into the formal portion of the PTA program, you will be informed of the date and specifics of this orientation.
- All Health Science students will complete the required immunizations (see attached) to their Program Director after acceptance into their program. All GFC MSU students enrolled in 6 or more credits are required to have health insurance. There are health risks inherent in working in a clinical environment. Students are urged to use good sense in acquiring and maintaining health insurance coverage. For information about student health insurance offered through the College contact Student Central.
- Hepatitis B series inoculation (HBV) is required. This can be obtained for a fee at the City-County Health Department, 115 4th Street South, Great Falls, MT, (406) 454-6950. If for some reason you elect not to have this three shot series, a signed Declination form will be kept in your file. This form is available from the Health Sciences Administrative Assistant.
- You must be **Health Care Provider CPR certified**, and retain this certification throughout your collegiate career as a PTA student, and then as a PTA. CPR/First Aid classes are

provided each semester at the College or can be obtained elsewhere. The CPR Certification must be current during any clinical affiliation experience (scheduled toward the end of the fall semester).

- **Health Sciences Division Policy: Student Back Ground Checks and Drug Screening**
To promote patient safety and decrease institutional liability, most clinical agencies require students to have cleared a background check and/or drug screening before they will permit the students in the clinical setting. To meet these requirements, the College requires that the check/screening be done prior to placement in any clinical agency. Background checks/drug screenings are done at the student's expense. Students with background checks that reveal a finding will be evaluated individually to determine whether they will be eligible for clinical placement and state licensure for their respective degree program. There is a zero tolerance for positive findings regarding the drug test resulting in non-admittance or dismissal from the program (please see PTA program student handbook). Students are encouraged to go through Verifiedcredentials.com for their background and drug screenings yet may go through other vendors upon the approval from the program director. **Copies of your required immunizations, CPR card, background check, and drug screen are all due by September 30th, 2022. It is encouraged to start on these as soon as possible once admitted into the program.**

Essential Functions for the Physical Therapist Assistant:

Students will be required to perform certain physical, intellectual, and conceptual tasks required in the classroom, during lab activities, and at clinical sites. A student must have the ability to perform these tasks with reasonable accommodation as outlined by the Americans with Disabilities Act. Students with disabilities must meet or exceed academic standards with or without reasonable accommodations.

Statement about Disability Services

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. Instructors must receive an official letter from the Disability Services Office in order to provide accommodations. If you believe you have a disability requiring an accommodation, please contact the Director of Disability Services or call 406-771-4311 to schedule an appointment. <http://students.gfcmu.edu/disabilityservices/index.html>

PTA Program Selection Criteria:

The Physical Therapist Assistant Program Selection Committee will be the individuals to consider the applications submitted by prospective PTA students. They will utilize the following point scale, maximum of 108 points. The applicants with the top 20 percentage point totals demonstrated within the completed applications will be accepted for admission. Grade Point Average (GPA) will be calculated (see Application Evaluation Sheet below) to determine total points for each pre-requisite course. Please remember that plus and minus will affect the GPA utilized as per the College catalog.

Plus or minus is equivalent to the following:

(A)	=	4	(B-)	=	2.7
(A-)	=	3.7	(C+)	=	2.3
(B+)	=	3.3	(C)	=	2
(B)	=	3

Technical Standards for the Physical Therapist Assistant Program

<i>Technical Standards</i>
<i>Demonstrate safe transferring and gait training of patients of various sizes from a variety of surfaces.</i>
<i>Effective set up and use</i> assistive devices such as wheelchairs, canes, and walkers.
<i>Demonstrate safe</i> positioning patients, and positioning of equipment.
<i>Effectively perform</i> palpation skills and take measurements of various patients in a culturally sensitive manner.
<i>Effectively</i> perform chart reviews and continuous assessment of the patient's status.
<i>Effectively</i> communicate with patients, families, caregivers, coworkers, and healthcare providers regarding instruction, questions, and or requests in a culturally sensitive manner.
<i>Effectively take and record</i> doctors' orders, patient histories, and subjective/objective findings.

Signature of Clinician:

Thank you for your support of the PTA Program and for allowing this potential student to observe your work. Please contact Brad Bechard, PTA Program Director at (406) 771-5134 with any questions or comments.

Mailing Instructions

Application packets must be postmarked on or before May 31st, 2022 to be considered eligible for admission into the Physical Therapist Assistant program for the 2022-2023 academic year. From the pool of completed applications, the prospective PTA students will be screened. **In the event that a full class of 20 PTA students cannot be initially attained, then incomplete or late applications may be looked at for possible admission.** Applications with requirements not met at the time of the program deadline may be provisionally admitted pending fulfillment of ALL requirements. All persons submitting an application will be notified of their admission status following the selection process, approximately 4 weeks later.

Please only send required documentation as other supplemental items will be discarded.

It is recommended that application packets be sent by certified mail, or hand delivered and date stamped.

Hand-deliver or mail the Physical Therapist Assistant Program Application Packet to:
