

**GREAT FALLS
COLLEGE**
MONTANA STATE
UNIVERSITY

SUBJECT: Institutional Animal Care & Use Committee
PROCEDURE: 1001.1.3 IACUC Member Training & Continuing Education Procedures
EFFECTIVE: April 2024 **REVISED:** **REVIEWED:**

Purpose

The purpose of this document is to describe training and continuing education requirements for all IACUC members.

Process

New Members

Upon appointment to the IACUC, new members will be required to complete the following training:

1. CITI Training Essentials for IACUC Members
2. Protocol Review Process (provided by IACUC Program Manager)
3. Facility Inspection/Program Review (provided by IACUC Program manager)

Continuing Education of IACUC Members

The IACUC program manager, IACUC chair, or attending veterinarian are responsible for identifying and communicating educational opportunities available to the committee members such as webinars, workshops, and professional meetings sponsored by organizations (e.g., NIH/OLAW, PRIM&R, AALAS, SCAW, etc.).

Acronyms

AALAS: American Association for Laboratory Animal Science

IACUC: Institutional Animal Care and Use Committee

NIH: National Institutes of Health

OLAW: Office of Laboratory Animal Welfare

PRIM&R: Public Responsibility in Medicine and Research

SCAW: Scientists Center for Animal Welfare
