Minutes		
Topic	Discussion	Action
2023-2024 Requests	Discussed 23-24 requests – what should we consider, what shouldn't we consider. Focus should be industry with healthcare being at the forefront. Removed a lot of prof development since we have separate funds. Removed the tri tool since it isn't a necessary need. Removed childcare vouchers due to lack of childcare options. Removed job site tours as industries will help fund those.	Stacy will submit an amendment with PTA tables, inverter, and dental manikins to see if we can get those funded this year instead of waiting.
Current amendment	Discussed state of 2022-2023 award/amendments.	None at this time.
Next Steps	Discussed what we should do next regarding requests.	Committee will score remaining proposals by March 17. Stacy will send meeting invite for us to meet once scores are submitted.
