Policy

Prerequisites are listed in the Great Falls College Montana State University current catalog course descriptions and curriculum pages. All students will not be able to enroll in a course without the necessary prerequisites. An Override Authorization Form allows a student to enter a course without the proper prerequisite. The form must be approved and signed by the appropriate college personnel.

Currently enrolled students who do not pass the prerequisite courses with the necessary grade will not be allowed to take the subsequent course. Those already enrolled in the subsequent course will be dropped from the course. Students will be notified of their change in status within one week of final grades being posted. At that time, they may need to change their schedules. It is suggested that students contact their Advisor to make those changes.
