Introduction
Data associated with the work of the college is a vital asset. As such, maintaining the confidentiality, integrity, and availability of college data is critical to the success of the college. The college expects all stewards and custodians of its data to manage, access, and utilize this data in a manner in accordance with best practices and policies of the Montana University System.

Policy
In order to maintain consistency across the Montana State University affiliation, Great Falls College MSU follows a four-campus policy in regards to data stewardship. The policy can be found on Montana State University’s policy page, here.
