Policy

This policy only allows Great Falls College MSU to name spaces that fall outside the scope of Board of Regents Policy 1004.1, Naming of Buildings. Those spaces that fall under the consideration of this BOR Policy include the naming of individual buildings and “all significant interior spaces, such as theaters and auditoriums that hold more than 250 people.” When Great Falls College MSU wishes to name one of these types of campus spaces, the following policy will be followed; however the final determination will remain with the Montana Board of Regents, to whom the College will make a formal recommendation via BOR Policy 1004.1.

I. No commitment regarding naming shall be made to a donor or a non-donor honoree prior to approval of the related proposal for naming. Each proposal shall be made in writing in accordance with these guidelines.

II. Each proposal for naming shall be considered on its merits and not because a gift meets a particular predetermined goal. In this regard, all due attention shall be given to both the long-term and short-term appropriateness of a naming.

III. A proposal for naming shall include documentation of the following:
   a. A thorough analysis of the proposal in relation to naming policy and guidelines, as well as a financial review.
   b. A consultation process to provide the benefit of the collective institutional memory and a broad campus perspective with regard to naming activities.
   c. Review by the Great Falls College MSU’s Executive Team.

III. When a space is named in recognition of a donor or a non-donor honoree, that name will generally be effective for the useful life of the facility or the designated use of the area. If a facility must be replaced or substantially renovated, or the use of an area re-designated, it may be named for a new donor,
V. In any proposal for naming a space in recognition of a donor or a non-donor honoree, consideration should be given to ensure that any associated endowment will be sufficient to sustain the program, since the naming shall be in effect for the life of the program.

VI. Naming in honor of an individual with no gift involved
   A. No commitment for naming shall be made prior to approval of the proposed name.
   B. A proposed honoree shall have achieved distinction in one or more of the following ways:

To avoid any appearance of commercial influence or conflict of interest, additional due diligence should be taken before recommending the naming of a prominent space that involves the name of a corporation or a corporate foundation. The naming for an individual associated with a corporation should be handled as any naming for an individual.

If the proposal for change in use is inconsistent, the Great Falls College MSU’s Executive Team will be consulted.

B. If at any time following the approval of a naming, circumstances change substantially so that the continued use of that name may compromise the public trust, or bring undue scrutiny upon the College, that name may be discontinued upon action of the Great Falls College MSU’s Executive Team.
