

SUBJECT: Information Technology

PROCEDURE: 703.1.1 Student Email

RELATED POLICY: 703.1 Student Email

EFFECTIVE: July 2010

REVISED: November 2021

REVIEWED:

Procedure

Great Falls College MSU issues student email accounts when students register for classes. If students are having problems, the Technology Assistance Center will assist.

A NetID account number is necessary to access the student email account. Student email accounts may be accessed by visiting: <https://login.microsoftonline.com/>

Students can update their preferred email address in Student Central or through the Banner Web/MyInfo self-service portal.
