Minutes		
Topic	Discussion	Action
2024-2025 Spending	We have spent approximately 65% of allocation for 2024-25. Reviewed the list of potential projects to fill gaps in spending from 2024-25. These are only options in case full allocation is not spent this year.	None
Perkins Coordinator Meeting	OCHE wants an updated Comprehensive Local Needs Assessment (CLNA) this year instead of a new one.	Lisa will let Stacy know about procurement- is that still at \$5,000.00?
2025-2026 Requests	There were approximately 24 requests submitted. Please review requests and score using the rubric by April 1. Stacy will compile the scores to share results at the scheduled April 7 meeting. Discussed what to do if spending doesn't happen, for example, if a project is professional development towards the end of the year this committee could set the expectation that they will register by a set date.	Everyone to read and score requests by April 1.
